ORDINANCE NO. 95-01
(4th Regular Session)

ORDINANCE AMENDING ORDINANCE NO. 24 SERIES OF 1983 OF THE SANGGUNIANG BAYAN ENTITLED: AN ORDINANCE PROVIDING PENALTIES FOR VIOLATIONS THEREOF AND TO IN ACCORDANCE WITH THE MAXIMUM ALLOWABLE SPEED LIMIT OF ALL MOTORIZED VEHICLES.

BE IT ORDAINED by the Sangguniang Bayan of Manolo Fortich, Bukidnon in session assembled that:

SECTION 1. This Ordinance shall be known as the Integrated Traffic Program of the municipality of Manolo Fortich, Bukidnon.

SECTION 2. The aims, purpose and objectives of this ordinance are as follows:

a). To provide a smooth and efficient flow of public traffic and transport in the Municipality of Manolo Fortich, Bukidnon.

b). To promote traffic safety to motorist and pedestrians.

c). To minimize if not to prevent the occurrence of vehicular accidents attributed to poor or lack of adequate

Dagunay

traffic control, supervision and direction.

d). To further regulate the operation of all motor vehicle in conformity with the Land Transportation Code, Public Service Laws and other provisions prescribed by proper authority.

SECTION 3. The traffic terms herein used shall be defined as they are adopted in the Philippine International Roads Signs Manual and as complemented by the 1968 Vienna Convention of the United Nations on Roads Signs and Signals.

They shall be defined for the purpose of understanding and guidance in promoting safe and efficient travel on our highways and streets.

a). Roads - is the entire surface of any way of street open to public traffic.

b). Highway - is any public thoroughfares, public boulevard, driveway avenue, park alley and callejon, but shall not include roadway upon grounds owned by private persons, entities, subdivisions or similar institutions.

c). Carriageway - is the part of the road normally used by vehicular traffic. This is sometimes called travelled or roadway in other studies.

d). Lane - is one of the longitudinal stripes into which the carriageway is divisible whether or not defined by longitudinal road marking which is wide enough for moving line or motor vehicle other than motorcycles.

e). Intersection - is any level crossroad, junction or fork, including open areas formed by such crossroad, junction or fork.

f). Motor Vehicle - is any vehicle propelled by any power other than the muscular power using the public highways.

g). Traffic Signs - are devices mounted or fixed on portable support whereby a specific message is conveyed by means of words or symbols officially constructed for the purpose of regulating, warning or guiding traffic.

h). Diagonal Parking - is parking of vehicle the front or rear side of which is oblique to the side of the street.

i). Parallel Parking - is parking of vehicle parallel to the side of the street.

j). Traffic Signs shall be classified into the following:

(1). Regulatory Signs - are intended to inform road users of special obligations, restrictions or prohibitions.

(2). Danger Warning Signs - are intended to warn users of a danger on the road and inform them of its nature.

(3). Informative Signs - are intended to guide road users while they are travelling or to provide them with other information which may be useful. These are advance signs, direc-

OFFICE OF THE SANGGUNIANG BAYAN

tion signs, road identification signs, confirmatory signs and other informative signs.

k). Road Markings - road marking shall mean any traffic control devices marked on the surface of the road that are officially used to regulate traffic or to warn or to guide road users. Road or traffic markings are lines, words, color or other devices except signs, set into surface of applied upon or attached to the pavement, or curving, officially placed for purposes of regulating, warning of guiding traffic.

1). Pavement markings may be longitudinal line (parallel to roadway) or transverse line (perpendicular to the roadway)

(1). Transverse lines are perpendicular to the roadway and convey a special message to the motorists.

a. Stop lines - are used to indicate the point vehicles requires stop.

b. Crosswalk - are used to guide pedestrians in the proper paths and to warn motorists of a pedestrian crossing point.

SECTION IV. Stopping, Parking, Loading And Unloading: No Vehicle shall stop, load or unload passengers or merchandise or stand whether attended or unattended upon the highway or roadway in any of the following places;

1. On a crosswalk
2. Blocking a driveway
3. Within an intersection
4. Within six (6) meters on intersecting curb lines
5. On a curb when it would be a hazard or obstruction for other traffic
6. In the travel lane of a highway
7. On a bridge or approach span thereof
8. Any area designated for other official purposes or when it would be a hazard or obstruction for other traffic.

SECTION V. Intersection

1. A vehicle which enters the intersection first shall have the legal right of way. However, traffic lights may regulate the flow of traffic and determine who shall have the right of way.

2. A vehicle on the right if both arrive at the same time shall the right of way.

3. A vehicle shall make full stop upon any sign at the intersection.

SECTION VI. Pedestrians shall have the right of way and all vehicles shall slow down and stop if necessary, especially where there is a pedestrian lane or crosswalk, whenever, a totally or partially blind pedestrian crosses a road, vehicles shall go to full stop and shall proceed with precautions.

SECTION VII. Fire Engine Vehicle/Military And Police Vehicles And Ambulances. Shall have the right of way when on emer-

Handwritten signature

gency call (upon the sound of the siren or display of red or any emergency color lights). All vehicles shall give way until these particular vehicles have passed.

SECTION VIII. Funeral Processions. Shall have a special right of way and shall not be disturbed or interrupted in any way by other traffic.

SECTION IX. Traffic Signs/Signboards

A. Speed Limit and Keeping to the right.

Speed limit shall be installed specially along parks, school zones, peripheral roads around the Municipal Market and on the highway leading to the Poblacion proper in conformity with the prescribed rate of speed as per Section 35 of RA 4136 known as the Land Transportation and Traffic Code which shall be set as follows:.
