RESOLUTION NO. 2006-89
(29th Regular Session)

RESOLUTION URGENTLY REQUESTING THE MANOLO FORTICH WATER DISTRICT TO IMMEDIATELY SUSPEND THE IMPLEMENTATION OF THE NEWLY INCREASED RATES ON WATER CONSUMPTION AND TO MAKE IMMEDIATE ADJUSTMENTS LOWERING THE SAID RATES TAKING INTO CONSIDERATION THE CONSUMERS' CAPACITY TO PAY.

WHEREAS, the new impositions of the Manolo Fortich Water District have not been creating reasonable impression among the consumers. The rates had been drastically increased from the ten-cubic meter minimum consumption at P122.50 escalated for every ten cubic increase of consumption compared to the very low increase of rates pegged by other agencies offering water services in the neighboring places in Misamis Oriental and Bukidnon.

WHEREAS, apparently, the consumers would be overburdened by these increases and severely would affect more than the majority financially at the height of deep financial crisis. Consequently, this increase will not help the operation of Manolo Fortich Water District considering that many would be incapacitated to pay and be forced to be disconnected from availing the district's services which at the same time would trigger petitions and resistance from the consumers. By this time, the increase would be detrimental both to the Manolo Fortich Water District and the consumers who deserve genuine public service;

WHEREAS, this Local Government Unit, in consideration of the interest and welfare of the general public, thus makes this move to request the concerned agency to suspend the implementation of the new rates and make the necessary adjustments;

PROVINCE OF BUKIDNON

AS IT IS HEREBY RESOLVED, Urgently Requesting The Manolo Fortich Water District To Immediately Suspend The Implementation Of The Newly Increased Rates On Water Consumption And To Make Immediate Adjustments Lowering The Said Rates Taking Into Consideration The Consumers' Capacity To Pay.
