HON. JOHN ANTHONY G. LEYSON	SK Federation Rep.

**ABSENT:**

NONE

**RESOLUTION NO. 2022-12B**  
(3<sup>rd</sup> Regular Session)

**RESOLUTION SUGGESTING THE CREATION OF RESPOND QUICKLY 911 CALL CENTER TO BE OPERATED BY THE LOCAL GOVERNMENT UNIT OF MANOLO FORTICH UNDER THE LOCAL DISASTER RISK REDUCTION MANAGEMENT OFFICE.**

WHEREAS, 911 is the National Emergency Number of the Philippines managed by the Emergency 911 National Office, which replaced 117 in the year 2016;

WHEREAS, while 911 is available nationwide, there are only 16 call centers in the country with only two in Region X, one in Cagayan de Oro City and another in Malaybalay City;

WHEREAS, when residents in Manolo Fortich dial 911, their calls will be answered by the Cagayan de Oro City, Davao City, or the nearest other 911 call center available and relayed to the appropriate emergency responder in the municipality;

WHEREAS, although Manolo Fortich has, perhaps, the quickest and best emergency responders down to the barangay and zonal levels, contacting them during emergencies often proves difficult given the numerous emergency numbers of the Manolo Fortich LDRRMO, PNP, Municipal Fire Station, MFRTA, hospitals, barangay rescue, etc. that are hard to memorize and are usually changed every now and then;

WHEREAS, having our own 911 Call Center managed by the LGU and manned by our own LDRRMO Personnel will make our emergency responders more accessible to the residents, significantly cut emergency response time, and will further elevate the highly competitive status of the municipality.

NOW THEREFORE, on motion of Hon. Jay S. Albarece and unanimously seconded by the members present, it was RESOLVED,

AS IT IS HEREBY RESOLVED, Suggesting The Creation Of Respond Quickly 911 Call Center To Be Operated By The Local Government Unit Of Manolo Fortich Under The Local Disaster Risk Reduction Management Office.

RESOLVED FURTHER to request the LDRRMO, through the Honorable Municipal Mayor, to submit its recommendations on the viability, infrastructure, technology, equipment, personnel and other logistical requirements of this proposal.

APPROVED: July 28, 2022.
