**Introduced by: Hon. Evelio E. Cordovez**

**WHEREAS**, the members of the Sangguniang Bayan of Manolo Fortich, Bukidnon have personally observed in our regular Barangay visitations specially in Barangays located in areas where the Del Monte Philippines Inc. have situated their pineapple plantation, like Barangays Ticala, Kalugmanan, Lindaban, Sankan and Mampayag among others, that whenever the company undertakes its land cultivation in preparation for their pineapple planting, they always include the plowing of the road allowances of the provincial roads traversing in the said areas making the provincial roads very narrow and constricted that only one flow of vehicular traffic can pass at a given time;

**WHEREAS**, this company practice of including the plowing of the road allowances in their land preparation have indeed not only cause great inconvenience to the riding and passing public but more importantly have posed danger to vehicles and passenger plying the said provincial roads specially during rainy days where the roads become very slippery and wet;

**WHEREAS**, this inappropriate company practice have indeed altered the natural canal or drainage embankments or allowances that every provincial road is provided by law and has therefore undoubtedly encroached and violated these road allowances.

**NOW THEREFORE**, upon motion of the Hon. Evelio E. Cordovez and unanimously seconded, it was **RESOLVED**,

**AS IT WAS RESOLVED**, Requesting The Hon. Provincial Governor Jose Ma. R. Zubiri, Jr. Thru The Sangguniang Panlalawigan To Require The Del Monte Philippines Inc.
