**RESOLUTION NO. 2008-150**  
(36<sup>th</sup> Regular Session)

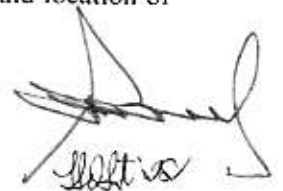

**RESOLUTION REQUESTING THE APPLICANT, MRS. CARMELITA H. SUAN/MANGIMA SPRINGS PURIFIED DRINKING WATER THRU THE NATIONAL IRRIGATION ADMINISTRATION, PROVINCIAL IRRIGATION OFFICE, BAGONTAAS, VALENCIA CITY TO PROVIDE THE SANGGUNIAN BAYAN, MANOLO FORTICH, BUKIDNON WITH THE EXACT DESCRIPTION OF THE SPRINGS APPLIED FOR WATER RIGHTS.**

WHEREAS, the application of Mrs. Carmelita Suan/Mangima Springs Purified Drinking Water was scrutinized by the Sangguniang Bayan for perusal. It has become unclear for the Sangguniang Bayan to identify the specific springs to be utilized by the applicant for their project. This drew their attention as to the conflict of interest that may be arising so far as the use of the springs is concerned.

WHEREAS, the Municipality of Manolo Fortich, Bukidnon intends to establish a Theme Park at Mangima area. Considering the complexity of the nature of development to transform Mangima into a world-class tourist destination, the Sangguniang Bayan found it very crucial to evaluate development especially when that entailing use of the natural resources is in proximity to the area.

WHEREAS, the water resources of the area are also the prospective sources of the Manolo Fortich Water District. The use of the water resources might jeopardize the operation of the Manolo Fortich Water District and for which the greater interest of the general constituents will be greatly affected.

WHEREAS, the Sangguniang Bayan opted to know the exact description and location of the springs being applied for water rights and the project proposal for evaluation.

NOW THEREFORE, on motion of Hon. Diosdado N. Ditona and unanimously seconded by the members present, it was RESOLVED,

AS IT IS HEREBY RESOLVED, Requesting the Applicant, Mrs. Carmelita H. Suan/Mangima Springs Purified Drinking Water Thru the National Irrigation Administration, Provincial Irrigation Office, Bagontaas, Valencia City To Provide The Sangguniang Bayan, Manolo Fortich, Bukidnon With The Exact Description Of The Springs Applied For Water Rights.
